☐ ROTH 403(b) AFTER-TAX ACCOUNT

According to our records, **your deceased spouse** would have attained at least the age of 70½. The Internal Revenue Code provides that, a minimum required distribution must be made for the year in which your deceased spouse would have reached age 70 ½ and for each year thereafter. Based upon age (as determined by IRS tables), the minimum required distribution amount has been calculated for you. *(Participants who do not take the required minimum distribution in a taxable year are required to pay to the IRS a non-deductible excise tax of 50% of the difference between the required amount and the amount actually distributed.)* Please respond by November 1.
